October, 2006

Dear friends of Australian L'Abri

It was great to have Jock and Alison McGregor from the Rochester USA branch of L'Abri visit us in September.

Our final L'Abri seminar for 2006 will be held on **NOVEMBER 18 at 10 River Rd, Elderslie.**

We are privileged to have as our speaker **Professor John White** from the Research School of Chemistry at the Australian National University.

In three lectures during the morning and afternoon Professor White will provide us with a basic understanding of **STEM CELL RESEARCH** and the associated ethics. This topic is very current, being debated in the Federal Parliament, and we can expect to be much better informed on the issues after this seminar.

You and your friends are most welcome.

Details:

Arrive 9:30am for a 10:00am lecture start. After lunch we will continue straight on with two more lectures with a break for afternoon tea. The day will conclude with dinner and fellowship.

Contribution for costs of the seminar day is \$20.

Please book in by Wednesday November 15 to enable catering to be organised.

Directions to Elderslie:

If driving, make your way to the M5 motorway going south to Campbelltown, heading towards Canberra/Goulburn. Take the second Campbelltown turnoff then stay in the right lane which curves around and leads to Camden along the Narellan Rd across the motorway. Proceed along the Narellan Rd and veer left on the Camden bypass heading for Picton. Just before a long bridge across the Nepean River keep to the left and follow the signs for Elderslie. At the STOP sign turn right under the bridge, follow Macarthur Rd up to the top where you must turn left. Go straight ahead into River Rd (instead of following the main road to the right) and we are the second house on the left. Please park facing down the hill only as the street is narrow or park along Macarthur Rd.

If travelling by public transport take a train via the East Hills/Macarthur line to Campbelltown (about 1 hour from the city/ Central. The bus for Elderslie is 895 (with a CAMDEN SOUTH sign on the front) and leaves from the island halfway across the bus road. Ask to be put off at the corner of Merino Drive and Macarthur Rd in Elderslie (fare about \$4). The bus stop is alongside an open grassy park. Walk to the main road and turn left along Macarthur Road. Go along to the school crossing, cross over and walk to the left. The next corner is River Rd. Cross River Rd to our house at number 10. L'Abri sign on the verandah. The bus takes about half an hour.
